

## **HIGH IMPACT REPORT ALERT: Week of 08-12 October Schedule:**

**Mostly quiet week with the Holiday altered routine.**

Monday: Holiday (market closed)

Tuesday: Nothing

Wednesday: Beige Book - 2:00 PM EDT

AUS Employment Change - 8:30 PM EDT

Thursday: Natural Gas Storage - 10:30 AM EDT

Crude Oil Inventories - 11:00 AM EDT

Friday: Nothing

Notes:

1. We will not trade the Weekly Unemployment Claims this week since it will be released at the same time as the Trade Balance report on Thursday at 8:30 AM EDT which has a greater risk for indecision. Trading the reversal on a big breakout is still advisable.
2. Crude Oil Inventories will be released on Thursday, 30 min later than normal due to Columbus Day Holiday on Monday.
3. The AUS Employment Change will be 1 hr earlier than normal as Australia executed Daylight Saving Time Shift on 06 Oct.
